

Job Description – Paid Internship Scheme

Do you want a career where you can actually make a difference?

Do you have a passion and expertise for a subject that you want to share with young people?

Do you want to inspire the next generation through a career that is challenging yet uniquely rewarding?

Farlingaye and Kesgrave Teaching School Alliance (FKTSA) comprises of two outstanding secondary schools (Farlingaye High School) and (Kesgrave High School) and its cluster schools situated in rural East Anglia, Suffolk. Both schools boast extensive facilities and are highly desirable places to live and work.

What we are looking for:

We are looking to recruit talented people to join our paid 4 week internship scheme. We are seeking people who believe they can make a difference to the lives of young people and have a desire to inspire the next generation. As an intern you will be part of a friendly, vibrant and successful school in an innovative and creative environment. We hope you will want to share your passion for your chosen subject with our students and encourage their interest further.

The Ideal Candidate

- Will like and connect well to young people
- Will have a passion for their subject and sound subject knowledge
- Will be enthusiastic, committed and willing to engage with the internship scheme

The Internship Experience – what we offer you

- A full induction programme with other interns appointed at the start of the scheme
- High quality structured training during the internship

- Observation of outstanding educational practice
- Focused small group intervention
- Opportunities to plan and deliver lessons (parts of lessons)
- The support of an experienced mentor
- Time with colleagues who share your subject specialism and see projects
- Opportunities to engage with the wider school through extracurricular activities and trips.
- Assistance with application to teaching training progression (as required)
- Experience in 1 or more outstanding high schools in Suffolk.
- On successful completion of the internship – a written reference or testimonial
- £1200 or £300 for each completed week

Requirements

You should

- Be successfully studying as an undergraduate for a Maths or Physics degree or a STEM
- related degree
- Be in your penultimate year looking to graduate in 2018.
- Be considering teaching as a career option
- Be keen to try new things and work with young people.
- Be available to take up your internship in June 2017 (there is some room for flexibility)

Applications close May 26th 2017
