CLAYDON

February 2017

Dear Parent/Carer

We you may be aware in the last 18 months we have run 'workshops' at consultation evenings to try and support you in keeping up-to-date with the latest information. For a number of reasons these have not been as successful as we had hoped and so we would like to try a different strategy.

From February we will run one workshop per month, starting on Wednesday 22nd February at 5.00pm-6.00pm. They will be held in the LRC/Hall. We would like these to be information sharing, Q&A, discussion and practical in their nature.

Please complete the attached sheet if you would like to attend. Also if you have specific questions you would like answered please email them in ahead of the evening.

We look forward to working with you.

Yours sincerely

A handwritten signature in black ink that reads "Skinner".

Mrs S Skinner
Headteacher

'Be the best you can be'

Date	Workshop Description	Number of seats
Wednesday 22 nd February	ONLINE SAFETY Whether you're a technophobe or a technophile it is still likely that you are playing catch-up with the way your child is using the internet. As with the real world, there are risks online and it is important you teach your child how to navigate them.	
Wednesday 15 th March	NUMERACY Understand how numeracy skills are applied outside the Maths classroom. This session will cover the ways your child is taught to perform some calculations including expanding brackets and long division. We will also introduce parent/carers to resources on SAM Learning and My Maths.	
Wednesday 19 th April	REVISION An opportunity to pick up some tips and ideas to help your child revise successfully. A practical session to take you back to exam hall days!!	
Wednesday 17 th May	LITERACY The importance of speaking, listening, reading and writing, across the curriculum with some top tips on how to support students with developing these skills.
